 and DOES 1-100, inclusive,

 Defendants.

Date: April 25, 2008
 Time: 9:00 a.m.
 Court: 10, 19th Floor
 Judge: Honorable Susan Illston

WILLIAM TULL, an individual;

 Counter-Claimant,

 vs.

Complaint Filed: August 1, 2007
 Counterclaim Filed: January 11, 2008

 Trial Date: June 30, 2008

PAUL MONTWILLO, an individual, and
 DOES 21 through 30, inclusive,

 Counter-Defendants

I, Stephanie Joynt, assistant to attorney Stephen A. Sommers, by personal knowledge,
 hereby declare that if called to testify I could and would attest to the following:

///

1 1. On March 21, 2008, by overnight mail , I served on David Wong at 100 Shoreline
2 Highway, Suite 100B Mill Valley, CA 94941, the following documents: (a) Plaintiff/Counter-
3 Defendant Paul Montwillo's Notice of Motion and Motion for Summary Judgment and against
4 Counter Claimant William Tull's Counterclaims; (b) Memorandum of Points and Authorities; (c)
5 Declaration of Paul Montwillo in Support of his Motion for Summary Judgment; (d) Declaration
6 of Stephen Sommers in Support of his Motion for Summary Judgment; (e) Proposed Order. A
7 true and accurate copy of the signed Proof of Service is attached hereto as Exhibit A. On March
8 24, 2008, I manually filed the Declaration of Paul Montwillo in Support of his Motion for
9 Summary Judgment with the Court because we were unable to upload the file because the pdf
10 file was too large. At court, the clerk provided me with information about how to e-mail the
11 manually filed document to the judge within 10 days of filing. On April 2, 2008, I e-mailed a
12 copy of the declaration to SIpdf@cand.uscourts.gov as requested. A true and accurate copy of
13 this e-mail is attached as Exhibit A. Additionally, I spoke with Yumiko Saito, Judge Illston's
14 docket clerk on numerous occasions to ensure that I followed up with said filing in a timely and
15 appropriate manner, and to specifically to ensure compliance with local rules.

16 2. On Friday April 4, 2008, I mistakenly uploaded to the Court Defendants'
17 Opposition to Plaintiff's Motion for Summary Judgment to the Court, when I intended to upload
18 Plaintiff's Opposition to Defendants' Motion for Summary Judgment. On April 7, 2008,
19 attorney David Wong brought to our attention that the wrong file had been uploaded to the
20 Court, as a result I re-uploaded the correct document and notified the ECF help desk by e-mail as
21 required. I effectuated service of the Opposition and supporting documents to attorney Marc
22 Greenberg at 536 Mission St. San Francisco, CA 94105 and attorney David Wong 100 Shoreline
23 Highway, Suite 100B Mill Valley, CA 94941 by overnight mail. A true and accurate copy of the
24 proof of service is attached hereto as Exhibit B.

25 3. On April 9, 2008, I ordered and received from the Copyright Office in
26 Washington, DC of the following five copyright registrations (a) VAu-631337, (b) VAu-631338,
27 (c) VA-1271343, (4) VA-1271341, and (e) VA-1271342. The Copyright Office charged cost
28

1 \$271.00 to our firm on the same day. True and accurate copies of each registration and billing
2 are attached hereto as Exhibit C.

3 4. On April 11, 2008, I review the website www.trailertrashdoll.com. This is the
4 website for Gibby Novelties, LLC. On the homepage is a prominent photo of the famous
5 "redneck" comedian Jeff Foxworthy, and photos of some dolls. On the "products" page, there is
6 a prominent photo of a pregnant doll with hair curlers, and smoking a cigarette. The doll is
7 called Trash Talking Turleen. I am familiar with copyright registration VA-631337 for a talking
8 pregnant doll. The photo on the products page is identical to the photo attached to the copyright
9 application. On another website, www.toydirectory.com, Gibby Novelties, LLC boasts "we are
10 pleased to offer the licensed like of Vintage Foxworthy novelty gifts," and it appears that Gibby
11 Novelties, LLC is the sole distributor of The Vintage Foxworthy Collection. True and accurate
12 copies of the aforementioned web pages are attached hereto as Exhibit D.

13 5. On April 11, 2008, I browsed through countless websites containing articles about
14 the dolls subject to the copyright registrations listed in paragraph 3 above. I saw listed thousands
15 of web listings that either sell or talk about the dolls. One article that I saw repeated on several
16 websites, including the hugely popular TMZ.com, talks about the origins of the dolls. This
17 article cites "Daniel Libby" as the dolls' creator. Another website, davidgeneralstore.com, states
18 that the dolls were "shown on the Jay Leno Show on 12/9/2005 as one of the top 'gag gifts' for
19 Christmas." I saw websites that discussed the dolls in several different foreign languages,
20 including French, Italian, Portuguese, German and Spanish. I saw news articles in well-known
21 foreign press outlets, such as the Guardian in England. It would be impossible to estimate how
22 many internet hits I discovered throughout this process. I also saw that the dolls are being sold
23 in countless online stores, including but not limited to Amazon.com and toydirectory.com. True
24 and accurate copies of a varying sample of these articles are attached hereto as Exhibit E.

25 I declare under the laws of perjury of the State of California that the above is true and
26 correct.

27 San Francisco, California

28 Dated: April 11, 2008.

Gibby Novelties and www.trailertrashdoll.com are the manufacturers and designers of unique "trailer trash" and "redneck" themed dolls, novelties, tee shirts, and the licensed Vintage Foxworthy Collection. We manufacture laughs daily!

TRASH TALKIN' TURLEEN

- ★ Have you been married three times and still have the same in-laws?
- ★ Do you think that the last words to the Star Spangled Banner are "gentlemen, start your engines"?
- ★ Do you think that the word Iraq refers to a woman with large breasts?
- ★ Have you ever lit a match in your bathroom and your home exploded right off of its wheels?
- ★ Have you ever let your twelve year old daughter smoke at the dinner table in front of her kids?

If you answered yes to any of these questions, then **Trash Talkin' Turleen** is the doll for you! Add her to your collection now!

She didn't just fall off of the turnip truck! Turleen is a sophisticated and patriotic American and a model working mother. After hours of hard work gathering carts at the Honk & Holler and waitressing at the elegant Bowlarama, she still finds time to spend quality time with her kids. With seven children and one on the way, she recently won the Mother of the Year Award from the Pink Flamingo Trailer Park Homeowners Association! This special trophy sits proudly on the kitchen window sill in her luxurious double-wide next to her six first place Little Miss Guzzler Awards from the county fair! Yes this honey has grown up! She's got a bun in the oven and she's ready to hit the town! Just push her belly button and Trash Talkin' Turleen will share some pearls of wisdom with the sophistication and style that makes her family and third grade teacher proud.

Beware she talks some serious trash!

DIRECTIONS:

To turn on your doll (do not take this literally), pull up the back of her leather jacket where you will find a clear plastic strip exiting the slot on her back as diagramed. Pull the strip out completely to engage the batteries and power up your new friend. Beware, she loves talk trash! If she ever becomes speechless (hard to imagine!) use a small screwdriver and open the compartment to replace the micro cell batteries. We recommend four alkaline button cell batteries (L1154) which can be found at leading electronics and camera stores in your area. Please call us at (415) 459-1212 for further details or if we can be of assistance. Have fun!

OUR STORY:

Our company has enjoyed an established track-record of excellent support and service from our loyal customers and accounts since 1998. Our story begins in December 1996, doctored dolls made by a famous doll toy maker began to show up in the store windows of retailer Injeanious, based in San Francisco, California. It was here that the first Trailer Trash Doll was introduced and formulated. The dolls were an instant hit and in time the store offices were flooded by phone calls from all over the world. To make a long story short, a major toy maker caught wind of this due to media coverage on a national and local level and took legal action to stop the production of the dolls.

In 1998 we began the process of designing our own dolls, having them manufactured for us to our specifications. The First Edition Trailer Trash Doll was introduced to rave reviews worldwide along with the ever popular blonde and red head Drag Queen Dolls. This was followed in August, 1999 with the development of our website and on-line catalogue, www.trailertrashdoll.com. In May 2003, our Second Edition Trailer Trash Doll was introduced with a positive response.

In 2004 we rolled out our exciting new interactive website and catalogue featuring new games, pictures, accessories, and T-shirts. In 2005 our new talking, pregnant doll, Trash Talkin' Turleen arrived with an overwhelming response. **Check her out now** on the Doll pages and send a postcard to your friends! In 2005 we expect things to be as exciting as ever as we introduce new novelty items and new dolls! In October 2006 we introduced our new talking, male, mullet doll, Jerwayne Junior. In June 2007 we are pleased to introduce a new line of "Redneck" themed banners, plaques, signs and garden items from the Vintage Foxworthy Collection designed by Jeff Foxworthy! We welcome you back home to the place on the "web" for all that is "trashy" and fun!

In 2008 we changed our name to www.redneckwarehouse.com to encompass our wide variety of new accessories, apparel, home and garden items, dolls and Vintage Foxworthy items. Of course you will always find the unique and trashy dolls and novelties that you have come to expect from us over the years! Please check back with us regularly as we will be continually adding new products to our on-line catalogue!

Trash Doll

Orrore degli orrori! Il mito di Barbie, ragazza bionda, occhi azzurri, lineamenti perfetti, vestiti alla moda, vita perfetta, sembra essere tramontato. Sta per arrivare la nuova Trailer Trash Doll, imitazione della Barbie in versione droga, sesso e rock&roll! Lo stile di vita sembra quello di Asia Argento in Ingannevole è il cuore più di ogni altra cosa. L'originale Trash Doll è incinta, gira in reggiseno, fuma una sigaretta dopo l'altra ed è costretta a bere doppie razioni di alcolici per dissetare anche la creatura che sballottola in grembo! Poi c'è la versione Drug Queen. Lineamenti da travestito e seno prorompente! Dimenticavo l'aspetto educativo! Premendo un tasto sulla schiena delle bamboline, queste parlano in modo "molto fine e con proprietà di linguaggio...!(Thanks Robert!)

Pregnant dolls need parental guidance

By David Batty / Misc 02:35pm

Bratz: pioneers of a new wave of dummied-down dolls. Photograph: Ian West/PA

The makers of **Barbie** may well be celebrating today after a private collection of the dolls fetched £110,000 at auction at Christie's. But Barbie, who looks like she would be banned from the catwalks in Madrid, is under threat from a new wave of dolls that wouldn't look out of place in an "adult" shop.

First came the Bratz, a pouting bunch of jailbait hoochie mamas seemingly inspired by the fashion sense - or rather the lack of it - of Jennifer Lopez and Christina Aguilera. Most disturbing is the range of **Bratz Babies**, wearing thongs and carrying bottles of baby milk, which this summer sparked parental outrage for encouraging paedophilia.

And now we have the redneck Trailer Trash dolls - the Ken and Barbie for the generation that aspires to the velour tracksuit chic of Britney Spears and her stoat-faced beau Kevin Federline.

The heavily pregnant Turleen hit the stores earlier this year. With a leather jacket and crop-top framing her swollen belly, her face caked in blue eye shadow, and a roll-up perched between her pouting lips, she has fast become a favourite with American

children. Press her belly button and she utters such delightful catchphrases as "Pour me a double, I'm drinking fer two"; "Bubba Junior, git off your sister!"; and "If the trailer's a rockin', don't come a knockin'". She also burps. Charming.

Next month sees the launch of her equally classy partner Jer Wayne Junior. Sporting a tattoo, broken teeth, a grease-stained wifebeater and a mullet that would put even Billy Ray Cyrus to shame, he spouts such witticisms as "Fifteen of dem beers and yer still ugly" and farts. Well at least no one can accuse him of being an emasculated metrosexual like the new look Action Man.

Perhaps it's time to resurrect Cindy as a Burberry-clad single mother spouting lines like "Where's my giro?" and "Have you seen my babyfather?".

A bit baffled as to why Action Man being provided with an American Indian (apparently not even 'First Nations') pal is metrosexual or politically correct, though. It's not as if Cowboys'n'Injuns is an intrinsically left-wing/ liberal game...
 As far as the somewhat nasty Trailer Trash dolls go, I can't imagine who would buy them, but I suspect they're aimed at adults rather than children, and so are in a slightly different category to Bratz, which are also nasty, but in a different way. The Trailer Trash thing is more an indication of contempt for the poor than an example of the sexualisation of childhood.

These dolls don't look anything like the ones that the girls

down the street played with when I was a kid. I thought the deal with things like this is that they're supposed to stay more or less the same over time?

It's really horrible that nowadays children are playing with Bratz -dolls. Where are those usual Barbies? Where are sweet teddy bears? I think that it is too early to let six years old child play with pregnant dolls. It's ok that Barbie and Ken are parents and have home together but Barbies becoming pregnant is not so usual for young child.

Bratzes are not good example to young girls: they have so huge heads and super thin hips. Their clothes are also too revealing.

So, when I'll become a mother I wouldn't buy Bratzes to my little girl. It's more safety to play with My Little Ponys or so one.

How sick can this world get?

These dolls are not sending a great image to the children at all.

It is bad enough that these dolls are anorexic and wear cheap, revealing clothes but now they are also wifebeaters.

Come on !! What kind of a sick person makes these dolls?!

I think they and their ugly dolls should be banned.

I can't understand why someone lets her children buy these dolls. I know I wouldn't. Appalling !

Weren't Barbie dolls also controversial when they came out somewhere in the fifties or sixties? The new "design" dolls are a bit tasteless but I think that the manufacturers of the dolls know what appeals the kids. Nonetheless the manufacturers

have forgot their responsibility in many cases but in general I think these dolls are the signs of the times.

In my opinion, those dolls are bad rolemodels for children at the age of searching for their own identity. It's no wonder teenagers' problems are increasing. They are trying to live up to that image of a woman, which is unreal. There is more to it, being a woman, that just looking good and thinner than the one next to you. Why isn't ther any dolls that like cooking, sewing or fixing things?

What about an overweight Barbie/Bratz doll? I'm surprised that no one in the industry has thought about that yet.

Valley of the Dolls

Wednesday, September 27, 2006

Even the doll world is going downmarket these days – judging by these sleazy new arrivals in Toy Town.

Trailer trash characters Turleen and Jer Wayne Junior – with beer cans in hand and a baby on the way – are the Wayne and Waynetta of the American doll market.

And rather than sporting gleaming white smiles and outfits fit for the catwalk, these two would look more at home on the Jerry Springer show.

Barefoot, leather-jacketed and pregnant, Turleen has become a favourite with children in America and so her makers have decided to unleash her mullet-headed beau on toy shops and websites too.

Ever the classy gentleman, Jer Wayne has a button on his chest which – if pressed – helps him break wind or offer wise words such as 'Fifteen of dem beers and yer still ugly'.

As well as a mouth of broken teeth and a cigarette, he sports an earring, a tattoo and a greasy white vest.

He is clearly a natural match for Turleen, though, as her guttural catchphrases include 'Pour me a double, I'm drinkin' fer two' and 'If the trailer's a-rockin', don't come a-knockin'.

Creator Daniel Gibby developed the £20 dolls after his firm Arsenic and Apple Pie failed to win patent approval for more mainstream toys.

'We recognise the need to have a little laugh and be light-hearted during these trying times,' he said.

'The dolls started out as a bit of fun but we soon realised there was a big market. It's all about laughing at stereotypical American images.'

Herr Sebas hat ihn, den Worst Trauma Picture Competition, in die Blogger-Welt gerufen. Ich bin etwas spät dran. Ich musste das Foto suchen.

Ich weiss noch genau wer mir diese Wunde zugefügt hat. Es war in London. Wir besuchten ein Theatermuseum. Ich glaube es war in der Nähe von Covent Garden. Weshalb wir da überhaupt reingegangen sind, weiss ich nicht mehr. Vielleicht hat's draussen geregnet. Das Museum muss sehr langweilig gewesen sein, denn ich erinnere mich an nichts mehr, ausser dass wir zum Schluss im Keller landeten. Dort in einer dunklen Ecke sass sie, die Frau, die mir das angetan hat. Eine Theater-Visagistin. Alles nur geschminkt! ;-)
